

**Product Name :**  
Multi-function relay with PC connection Control functions

**Product Code :**  
NEC-18-06-18-0096

**Description :**

Multi-function relay with PC connection Control functions

**Technical Specification :**

- Automatic synchronisation
- Automatic power control
- Automatic active and reactive power distribution
- Automatic frequency control
- Automatic power factor control
- Operating data acquisition

Protective functions:

- Voltage/frequency protection
- Overload protection
- Reverse power protection
- Over-current protection
- Inverse time over-current protection
- Unbalanced load protection
- Voltage asymmetry

Monitoring functions:

- Over/under-voltage monitoring of the feeder and the mains power supply
- Phase jump monitoring of the mains power supply

Over/under-frequency monitoring of the feeder and the mains supply
